

John Muir High School Alumni Hall of Fame Nomination Form for 2018

Nominations are now being accepted for inductees into the John Muir Alumni Hall of Fame for 2018. Please provide all required information about your nominee by completing this form. *This form is due 03/30/18.*

Qualifications for the Nominee

There are minimum qualifications that your nominee must meet to be considered for induction into the JMHS Alumni Hall of Fame, which are listed in this nomination form.

The nomination forms are reviewed by the selection committee which is composed of two members from each of these categories: JMHSAA Board members, Hall of Fame Members, Muir Administrators, Faculty Members and Students. This committee meets privately to discuss the nominees and chooses the candidate that best reflects the tradition of the Hall of Fame. All decisions of the Selection Committee are final. Not all categories will be filled each year. We only induct those best deserving of this honor and if, in the selection committee's opinion, no viable candidate is identified, then a specific category may not be filled in a given year even if there were candidates. In the past there have been as few as none and as many as eight nominees inducted.

We have posted a few examples of previous nominations on our website at www.jmhsaa.org/examples that you may view. Use these as a guide for your submission. Note the narrative and the inclusion of pertinent information that supports their narrative. Stating that someone is deserving is not enough, you must provide facts that can be vetted.

If your nominee is deceased, an immediate family member may accept on their behalf. Be sure to check the deceased box and provide their family member's contact information on page 2 of this form.

Alumni Awards

Generally, your nominee must have attended John Muir High School, John Muir College or John Muir Technical High School in Pasadena, California. They must have had an outstanding career that has resulted in a direct and significant impact in their chosen field or career for at least five years. The nine categories in which alumni are recognized are:

- Business
- Community Service
- Education
- Government Service
- Performing Arts
- Science (Medicine/Health)
- Sports/Coaching
- Visual Arts
- Writing (Author or Reporter)

You must choose the category that best describes the career path of your nominee. All information you provide will be verified. Be sure your contact information is correct as we may need to contact you about your nomination.
